### Match Report

#### Rescheduled Auchterlonie Putter Trophy (August 2025 Washout)

A limited field of 44 players contested the rescheduled Auchterlonie Putter Trophy, originally declared a washout in August 2025.

It is always a privilege to play on this wonderful golf course, which was presented in immaculate condition — a real credit to the course team. Although the afternoon was warm, a strong northerly breeze helped temper the heat while also making scoring conditions more challenging.

#### Event Format

The competition was played as an Individual Stableford, split into two equal divisions, with the best overall score awarded the Auchterlonie Putter Trophy and accompanying wine glasses.

#### Individual Stableford Results

Scoring was exceptionally tight, with four players returning 31 points across Division 1 and Division 2. With scores tied, the Society's SGS countback by age was applied, resulting in **Ken Lockery** edging out **Philip Small** by just one month to claim the overall trophy. The ball run down went to 27 points.

**Trophy Winner:** Ken Lockery - 31 points (SGS age countback)

#### Division 1

- **Winner:** Ken Lockery (14) – 31 points (6 balls)

#### Division 2

- **Runner-up:** Richard Farrar (20) - 27 points C/B (3 balls)
