

Match Report – Pymble Golf Club

Monday 2nd February 2026

The UK Trophy

A strong field of 43 players contested the annual UK Trophy at the newly renovated Pymble Golf Club.

The UK Trophy was presented to the NSW Seniors by the visiting UK team in 2001. It is a beautifully carved set of model golf clubs mounted in a fine timber frame and is proudly held and displayed at Pymble Golf Club.

After 12 months to mature, the course was presented in excellent condition. Strategic bunkering and fast, sloping greens provided a strong test, with blustery conditions once again adding to the challenge — the third consecutive Seniors event played in the wind.

Event Format

The competition was played as an Individual Stableford, split into two equal divisions, with the best overall score awarded the UK Trophy and accompanying wine glasses.

Individual Stableford Results

Local knowledge was obviously a massive advantage with Pymble members at the pointy end of the results
